The Dedication of the Lateran Basilica

ST. RITA CHURCH

Joyfully living and sharing the Gospel of Jesus, we welcome, worship, inspire, and serve with love.

From the Desk of Father Tim . . .

The number of ministries and activities that are going on at St. Rita Parish is astounding. From our parish's efforts to support Rochester Hope, to opportunities for parishioners to find outlets for spiritual life and growth, to our participation in the Catholic Ministries Appeal, our parish continues to prove itself to be generous, welcoming, faithful, and very busy.

Given so much going on and so many worthy pursuits, it is important for St. Rita to meet its CMA responsibilities with focus and intention. This is why we set, and meet, our annual personal goal of completing our CMA obligations before Christmas. The CMA is important and worthy of our attention and effort. We complete it in a reasonable amount of time so we have the "bandwidth" to attend to our many other aspects of parish life.

The Diocese has worked very hard to limit the amount of "overhead" cost of this campaign. For only 4 cents of every dollar raised, it produces short and effective videos (see them at dor.com), authors several diocesan-wide mailings, receives professional guidance to help more and more parishes reach their goals, and processes your gifts. For comparison, the American Red Cross does this for 10 cents of every dollar and Catholic Relief Services does this for 7 cents of every dollar.

Thank you for your participation in the CMA. Please speak of it positively whenever you can and continue to pray for its success and all the ministries it makes possible.

Thank you very much for your financial and prayerful support of this year's CMA!

**Yours in Christ,
Fr. Tim**

**Reflections on Readings for The Feast of the
 Dedication of The Lateran Basilica in Rome
 "You Are God's Building"**

The Feast of St. John Lateran Basilica is unusual in the Church's calendar because it is a feast for a building rather than a saint or an event. The Basilica of St. John is dedicated to both St. John the Baptist and St. John the Evangelist. It is the mother church of Rome and the Pope's cathedral. While this feast is for a building, the purpose is to help us reflect on the true Church, the Body of Christ—we the faithful who believe in Jesus, the Christ.

Our first reading is from the Book of the Prophet Ezekiel (Ezek 47:1-2, 8-9, 12). Ezekiel wrote at a time when the temple in Jerusalem had been destroyed and the people exiled to Babylon. His intent was to give them hope of a future time when God would build a new temple in a new Jerusalem. Ezekiel's vision saw a new temple with a river of life flowing from it that would bring new life to all the land. This river was similar to the river of the Garden of Eden. As the River of Life flowed from the original Eden, it brought life to all the land and watered the whole earth.

In our Epistle reading (1 Corinthians 3:9-11, 16-17), St. Paul tells us that we are the true Church and the Holy Spirit dwells within us. "You are God's building", and Jesus is our foundation. Paul writes, "Do you not know that you are the temple of God and that the Spirit of God dwells in you?" This indwelling of the Holy Spirit is what inhabits each one of us and makes us holy.

In our Gospel reading (John 2:13-22), we hear John's account of Jesus cleansing the temple, overturning the tables of the money changers and telling the vendors to "Stop making my Father's house a marketplace." Here, Jesus was exercising His authority of the Son of David, who was given the responsibility for maintaining the "House of God." When questioned for a sign of His authority, Jesus said, "Destroy this temple and in three days I will raise it up....But He was speaking about the temple of His body."

Jesus identifies His body as the new Temple. Thus Ezekiel's vision of a new Temple applies to Jesus' body. The river that Ezekiel saw in his vision is the Holy Spirit, the giver of life. While we celebrate today the Cathedral in Rome and the chair of St. Peter, our readings tell us that the true temple is Jesus and the indwelling of the Holy Spirit joins each of us to God's temple.

Join us as we thank the many Religious Priests, Deacons, and Sisters that have committed their lives to Jesus Christ in the service of His Church and His people.

Over the Jubilee Year, we will explore the themes of Hope, Pilgrimage, and Jubilee, always ending with a question for you to consider over the week.

Jesus' promise in today's Gospel to raise the temple in three days is a cornerstone of the hope we have in eternal life. His promise and then accomplishment of what seemed to be impossible reaffirms our belief that God is the God of the impossible.

Pondering Point

When have you experienced something you thought was impossible? Did it bring you hope that the impossible could happen again?

Help Wanted

**Volunteer
Keyboard Player
for Count It All Joy**

Count It All Joy music ministry is looking for a committed music minister to play keyboard with the existing instrumentation ensemble of piano, bass, drums, and guitars. The intent is for the keyboard to emulate strings and other standard and ethereal synthesizer parts often used in worship music. Be aware that keyboards may not be needed in every piece we play. This is an unpaid volunteer position.

An understanding of basic chords and chord structure is a useful skill in this position. Having a functional level of reading sheet music is helpful, though sight-reading is not a requirement.

For more information please see the bulletin board at the entrance to Church.

If interested, please contact John Matina at 585.314.6096 or June Frosino at june.frosino@dor.org.

Life and Dignity of the Human Person

A few weeks ago, Fr. Tim spoke of “the best kept secret in the Catholic Church”- Catholic Social Teaching (CST)- and its roots dating back to Pope Leo XIII in 1891 with his encyclical *Rerum Novarum*. Since then, we have erected a new bulletin board to highlight the themes of CST. Over the next few months, we will be learning about each theme while providing ways for us all to live them in our daily lives. Currently, we are highlighting the theme - Life and Dignity of the Human Person.

“The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. This belief is the foundation of all the principles of our social teaching...we believe that every person is precious, that people are more important than things, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person (USCCB).”

Take a moment this week reflecting on the following passages and how God is calling you to act in our world today.

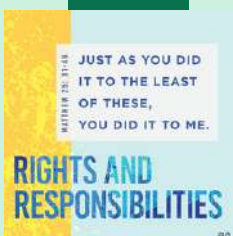

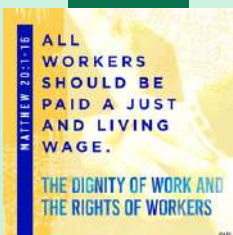

“Every individual, precisely by reason of the mystery of the Word of God who was made flesh (cf. John 1:14), is entrusted to the maternal care of the Church. Therefore every threat to human dignity and life must necessarily be felt in the Church’s very heart; it cannot but affect her at the core of her faith in the Redemptive Incarnation of the Son of God, and engage her in her mission of proclaiming the Gospel of life in all the world and to every creature (cf. Mark 16:15).”

—St. John Paul II, *The Gospel of Life* (Evangelium Vitae), no. 3

“When we speak of mankind, we must never forget the various attacks on the sacredness of human life. The plague of abortion is an attack on life. Allowing our brothers and sisters to die on boats in the Strait of Sicily is an attack on life. Dying on the job because the minimum safety standards are not respected is an attack on life. Death from malnutrition is an attack on life. Terrorism, war, violence; so is euthanasia. Loving life means always taking care of the other, wanting the best for him, cultivating and respecting her transcendent dignity.”

—Pope Francis, Address to Meeting of the Science and Life Association

Peace and all good,
Deacon Jim
